Maintain your view, while still protecting your privacy

This revolutionary new roller blind allows you to maintain your view while protecting your privacy. It combines a stylish curved fascia with chain control.

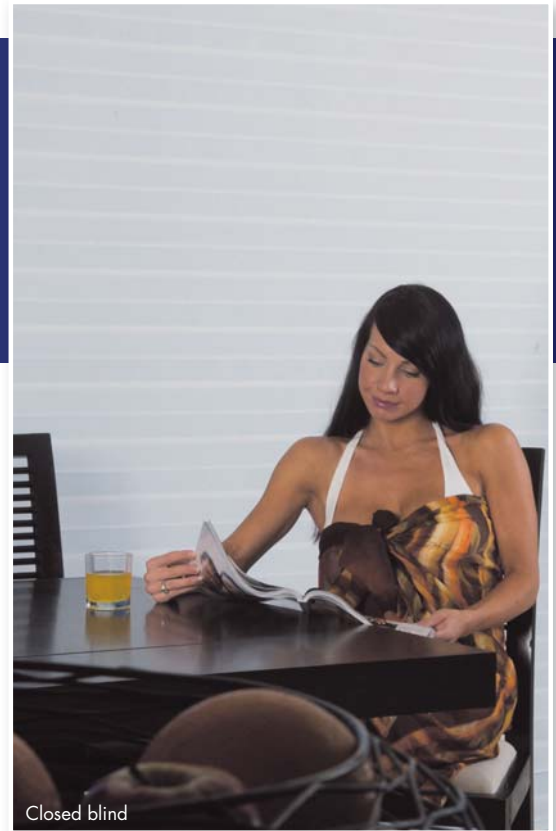

By its ability to modulate the amount of sunlight during the daylight hours, or provide the opportunity of a closed blind to avoid prying eyes, SHEER ELEGANCE provides protection and privacy for your home or office.

Open blind

SHEER ELEGANCE may just be the innovation that takes home & office window furnishing one step further. The unique bottom rail mechanism promotes smooth and effective operation. This remarkable new blind offers you UV and heat protection.

A tensioning device is installed with all chain controls to enhance your child's safety.
